Effectively support your employees in finding housing

For 82% of German companies,
housing shortage is a key recruiting
obstacle

Never again:

- ✗ Employees who leave because they can't find suitable housing
- ✗ Expensive internal HR staff searching for apartments without real expertise
- ✗ Probation period = No lease, a vicious cycle
- ✗ No apartment = No visa, a critical issue
- ✗ Discrimination based on foreign-sounding names

With us:

- ✓ Guaranteed and plannable housing stock instead of searching in vain
- ✓ Furnished apartments and flat-shares, developed to a consistent premium standard
- ✓ Hassle-free accommodation for international professionals, no Schufa required
- ✓ Your HR department can focus on its core competencies
- ✓ Predictable costs without blowing the budget, also for SMEs

About Us:

- Real estate project developer in Cologne with >10 years of experience
- Renovation of >50 units per year
- >200 residential units in permanent portfolio and rental
- Consistent standard in the renovation and furnishing of every single apartment and flat-share
